Absences & Grades

Assignments are due on the determined date. It is your responsibility to make-up work when you are absent.

Jupiter Ed and my teacher website are both good resources to keep up with missed assignments from home.

If your absence is excused, your work can be turned in within a reasonable time (you will be given one day for each day of excused absence). Work will only be accepted during the unit in which it was assigned. Bottom line: Stay on top of your stuff.

TECHNOLOGY

We will be utilizing various resources to access the Internet to research, review material, and submit assignments. You must hold yourselves to high expectations when you use these resources. Your time must be spent well.

Unless I specifically say that you may have your cell phones out, you must keep them away at all times. If I see your cell phone in class, I will take it for the remainder of the class period.

Hogwarts theme song (excerpt):
"So teach us something worth knowing,
Bring us back what we've forgot,
Just do your best, we'll do the rest,
And learn until your brains all rot."

- Come prepared to class with your binder, notebooks, writing utensils, & book.
- At the conclusion of the bell, be in your seat and filling out the daily agenda, ready to move on to the Do Now.
- Tardies and absences will automatically reduce daily participation points.

Respect for self. Respect for others.
Responsibility for your actions.

This room is more than just a classroom. It's our spot to learn, to grow, to teach, and to become better readers and writers. Let's work together to build up a positive environment with lots of energy. Be respectful. Be responsible. Be successful.
